# TRADITIONAL GAMES

Make a daisy chain

Tell the time using a dandelion clock

Stick a **sticky bud** on the back of a friend or family member without them noticing. How long does it stay on their back before dropping off?

**Create a plantain catapult:** Pick a seedhead of *Plantago major* also known as plantain, ribwort or rat's tails. Make sure you get a good length of stem too. Tie the stem in a loose knot around the base of the seed-head. Point the seedhead at your chosen target and pull the knot upwards. TWANG!

*Lady Pop-off:* Pick a bindweed flower. Squeeze upwards from the base and watch the petals pop off the stem.

Pick a soft, flat blade of grass. Hold between thumb and finger and place it between your lips. Now blow. Can you make it **screech like a whistle?**

**Find out whether someone likes butter.** Pick a yellow buttercup and hold it under the chin of a friend or family member. Does their chin shine yellow?
